MEMORANDUM FOR:

TSD/CCG/CRB

ATTENTION:

SUBJECT:

Request for examination of  
item for SW

1. It is requested that the attached long strip of white cotton material be given a cursory examination for SW. The item was received in a parcel from the Soviet Union. We doubt the piece of cloth contains any message, since the individual from whom the parcel was received has never been given an SW system. However, the reason for its inclusion with the other items in the parcel is a mystery, and since the sender would have reasons for wanting to communicate clandestinely with the recipient, we want to be certain nothing is missed. It is not necessary to return the piece of cloth.

2. Please contact [ ] on extension 6508, Room 5B-4804 Hqs., if you have any questions concerning this request.
